Dear.....

11th Malaysian Hospice Congress – Appeal for Advertisement on Souvenir Programme

Pertubuhan Hospice Negeri Sembilan has been given the honour of hosting the 11th Malaysian Hospice Congress from 20th – 22nd June 2014. It will be held at Klana Resort, Seremban. The Malaysian Hospice Congress is a biennial event organised with the objective of providing a forum for oncologists, surgeons, general practitioners, palliative care physicians and nurses, and allied professionals interested in palliative care. The theme of this Congress is "Palliative Care – Where are we now?" It is aimed at providing an opportunity for health professionals to update their knowledge on latest developments in palliative care in and around this region.

The organising committee would like to invite your organisation to participate by placing an Advertisement of your company/establishment in our souvenir programme. It will ease our financial burden if you could kindly do us this favour.

We, the Organising Committee, take great pleasure in thanking you for your contribution in making this event a success.

Yours sincerely,

Dr. Anthony Gilbert
Organising Chairman
Malaysian Hospice Congress 2014
